ARC OF A LIFE: ESCAPADES OF AN ADVENTURER

Andrew Reilly

Traveler, Adventurer, Observer, Geopolitics Expert, Teacher, Writer, Actor, Author...

Andrew Reilly's book is a guide to the international politics, history and social life of numerous countries where Andrew spent his life – an amazing life many people dream of: free of daily routine and full of excitement and discoveries!

As Andrew's saga threads its way through over 50 countries around the globe, the story becomes a chronicle of our times – detailing the author's adventures hitchhiking across Europe, Russia, North Africa, the Middle East and beyond, learning as he traveled and earning a living in places he had never been.

Working as a stevedore on the docks of Hamburg, a British Army PX clerk in Berlin, ship-fitter in the US, grape harvester in France, miner near Death Valley, film/TV actor in Los Angeles and China, theater director in Russia and Hong Kong, and as a "Fulbright Scholar" English teacher in Saudi Arabia, Afghanistan, Romania, and Russia, Andrew Reilly has seen life in all its myriad aspects. He recounts those up-close encounters in this journal as seen through the eyes of an adventurer living in our restless age.

ANDREW REILLY: Author, Fulbright Scholar (twice-awarded), international teacher, film/TV actor, world traveler (over 50 countries) and general all-around adventurer. Andrew speaks seven languages, and has two Masters Degrees (in Theater and Teaching English to Foreign Speakers). His previous book, "*An Actor's Business*" (2012) received *Library Journal's* "Highest Recommendation." It was named "Book of the Year" by *Stage Directions Magazine*. He has directed theater productions in Hong Kong, Russia, and Saudi Arabia and acted in film and television in China, New York and Los Angeles. He currently lives in Ashland, Oregon, where he writes and is active in several arts organizations.
